

**NCCER CORE CURRICULUM**  
COURSE SYLLABUS

Revised 11/29/2011

**C - L - CR**  
**3 - 0 - 3**

**COURSE NUMBER:** EEM 109

**PREREQUISITE(S):** None

**CO-REQUISITE(S):** None

**COURSE DESCRIPTIONS** This course is an introduction to Craft Skills needed in an industrial environment. Topics include safety, basic math, hand and power tools, basic communication skills and the application of employability skills.

**TEXTBOOK(S):** Core Curriculum: Introductory Craft Skills, NCCER, Contren Learning Series, Columbus, OH. 2004. ISBN 0-13-109189-1

**REFERENCE(S):** None

**OTHER REQUIRED MATERIALS, TOOLS, AND EQUIPMENT:** Note taking materials and appropriate personal protective equipment (PPE) as needed.

**METHOD OF INSTRUCTION:** This course will be taught by lecture, small group discussion, brainstorming, individual projects and demonstration methods of instruction. Students will be required to complete various practice performance tasks.

**GRADING SYSTEM:**

90	-	100	=	A
80	-	89	=	B
70	-	79	=	C
60	-	69	=	D
Below	-	60	=	F

\*To receive national certification 70 or better is required for all tests.

**GRADE CALCULATION METHOD:**

Tests	=	40%
Projects	=	20%
Final Exam	=	20%
Class	=	20%
Participation	=	
		100%

**ATTENDANCE POLICY:** Students are responsible for punctual and regular attendance in all classes, laboratories, field trips, and other class activities. The College does not grant excused absences;

therefore, students are urged to reserve their absences for emergencies. When illness or other emergencies occur, the student is responsible for notifying instructors and completing work missed.

Students are tardy if not in class at the time the class is scheduled to begin. Tardy students are admitted to class at the discretion of the instructor.

If you have attended at least one session during the first week of the semester you are responsible for dropping yourself from the class. It is the students' responsibility to withdraw from a course. A student who stops attending class and fails to initiate a withdrawal will remain on the class roster.

If you do not attend a class session during the first week of class you will automatically be dropped by the College.

A student who does not complete an assignment, test, or final exam in the course will receive a zero for each missing grade and the final course grade will be calculated accordingly.

**Absences for Religious Holidays:** Students who are absent from class in order to observe religious holidays are responsible for the content of any activities missed and for the completion of assignments occurring during the period of absence. Students who anticipate their observance of religious holidays will cause them to be absent from class and do not wish such absences to penalize their status in class should adhere to the following guidelines:

1. Observance of religious holidays resulting in three or fewer consecutive absences: Discuss the situation with the instructor and provide written notice at least one week prior to the absence(s). Develop (in writing) an instructor-approved plan which outlines the make-up of activities and assignments.
2. Observances of religious holidays resulting in four or more consecutive absences: Discuss the situation with the instructor and provide the instructor with written notice within the first 10 days of the academic term. Develop an instructor-approved plan which outlines the make-up of activities and assignments.

**ACADEMIC  
CONDUCT:**

**ACADEMIC DISHONESTY:** Students are expected to uphold the integrity of the College's standard of conduct, specifically in regards to academic honesty. All forms of academic dishonesty including, but not limited to, cheating on

assignments/tests, plagiarism, collusion, and falsification of information will call for disciplinary action. Disciplinary action imposed may include one or more of the following: written reprimand, loss of credit for assignment/test, termination from course, and probation, suspension, or expulsion from the College. For further explanation of this and other conduct codes, please refer to the Student Handbook.

**CELLULAR PHONES AND PAGERS/BEEPERS:** Cellular phones, pagers and beepers are not permitted to be turned on or used within the classroom. Use of these devices during classroom time will be considered a violation of the student code as it relates to “disruptive behavior.”

**CLASS/LAB  
PROCEDURES:**

No food or drink will be permitted in the computer lab area.

**ACCOMMODATIONS:**

Students who need special accommodations in this class because of a documented disability should notify Student Disability Services. You may contact Student Disability Services by calling, (864) 592-4811, toll-free 1-800-922-3679; via email through the Spartanburg Community College web site at [www.sccsc.edu/SDS/](http://www.sccsc.edu/SDS/); or by visiting the office located in the Dan Lee Terhune Student Services Building, room 112 of the Spartanburg Community College campus. By contacting Student Disability Services early in the semester, students with disabilities give the College an opportunity to provide necessary support services and appropriate accommodations.

**COURSE  
COMPETENCIES &  
OBJECTIVES:**

**Upon satisfactory completion of this course, the student will be able to:**

- I. Explain the safety obligations of workers and managers to ensure a safe workplace
  1. Identify the various OSHA standards and regulations
  2. Identify various types of hazards and accident reporting techniques
  
- II. Demonstrate the proper use of various mechanical tools and equipment.
  1. Explain the detailed use of commonly used hand tools and power tools used in industry
  2. Examine and interpret various commonly used blueprint terms, components and symbols.
  
- III. Employ the proper basic communication and employability skills used in an industrial environment.
  1. Demonstrate the effective use of written and oral communication techniques.
  2. Demonstrate the effective use of various employability skills.
