AGENDA ITEMS

Active Admissions Interface – Pat Abell

Dr. Abell, Cheri Anderson-Hucks, Jane Bird, and Pete Gallen presented sample interface pages for the website. Three examples of possible homepages and three examples of admission pages were reviewed. President Council members not at the meeting were given an opportunity to review the pages previously. The Council members offered suggestions and identified preferred aspects of the sample pages. Dr. Terhune suggested getting input from students to see if the final results match the requests made by the planning stage focus group.

The Council adjourned at 9:50 a.m. The next President's Council meeting will be held on August 4, 2008 in the Benjamin Snoddy Board Room.

Respectfully submitted,

Katie Gillespie
