

TLC STUDENT OF THE MONTH

Each month TLC will select a student who has benefitted from our services. February's student is Patti Moran.

Patti is a pre-Physical Therapy Assistant student, completing prerequisites for her PTA program at Greenville Tech. Though she has three children and four dogs, Patti still has enough energy to run, swim, hike, lift weights and visit the TLC at least once (sometimes twice) a day! She learned about the TLC two years ago, when she toured the SCC campus with a guide.

She was amazed that students had access to tutors for every subject, free of charge. Now, having experienced tutoring in a variety of subjects, she feels that the tutors go out of their way to make sure students have all the tools they need to be successful. "They go beyond the point of knowing," Patti states. "They make sure you know why, and are patient in going over the material in question until it is thoroughly understood." Thanks, Patti, for the encouragement!

Please join us in encouraging Patti Moran, our February "Student of the Month."
