STUDENT OF

THE MONTH

Each month TLC will select a student who has benefitted from our services. December's student is - Debora Jackson.

The Learning Center's student of the month for December is Debora Jackson. She is a student who has found that her goal of obtaining an associate degree in science could be realized at SCC. During her orientation to the SCC campus, she discovered the TLC. She quickly realized that the TLC is "a great place to study" and that "the tutors are awesome." In fact, she credits the TLC with helping her achieve the Dean's List. Debora also credits the TLC with keeping her focused on her goal. "The TLC is a blessing to us as students, and I feel everyone should take advantage of its resources."

Not only is Debora a good student, but she also enjoys camping, hiking, and boating with her husband. Together with these activities, she manages to be involved in church and Bible study. Debora is a well-rounded person who enjoys life and school.

Debora has taken advantage of the TLC to accomplish her goals. She feels that SCC offers everything that she is looking for at an affordable price.

Please join us in encouraging Debora, December's "Student of the Month."
