

TLC STUDENT OF THE MONTH

**Each month TLC will select a student who has benefitted from our services. February's student is –
Nathan Stanaway.**

Nathan Stanaway is the February TLC Student of the Month. He recently relocated to Greenville, South Carolina. On touring the campus here at Spartanburg Community College, he was impressed with the staff and facilities and determined that SCC would help him to pursue his future goals. His degree program will allow him to receive his associate's degree in science. After graduation he plans to continue his education in pursuit of his goals.

Nathan has worked as a paramedic in several states around the country. He enjoys traveling with his wife. This past summer he and his wife worked at Old Faithful in Yellowstone National Park.

Nathan considers the TLC an invaluable resource. He attributes his success as a student to the math tutors who have worked with him on Math 110. Nathan expresses his thanks and appreciation to the "folks" in the TLC and encourages his fellow students to come to the TLC for tutoring in any subject.
