

TLC STUDENT OF THE MONTH

Dylan Soria

The Learning Center is proud to present Dylan Soria as our student of the month for October, 2016. He was led to Spartanburg Community College by the affordability of the classes and the opportunity to transfer his associate's degree to a university.

Dylan has visited the TLC about three days a week after members of the TLC came to his classes and gave information about the center. He feels that the TLC is a great place to do homework and to receive tutoring.

Originally from Chicago, Dylan plans on attending the University of Illinois at Chicago and majoring in Software Engineering. He is currently a member of the honors society of Phi Theta Kappa. Dylan also has accomplishments on the creative side in that he has had a poem of his published in a book. We wish Dylan well in his future studies!
