

The Learning Center's

Each month, TLC will select a student who has benefited from our services. October's student is Stephanie Batchelor.

"Can't" does not seem to be a familiar word for our Student of the Month, Stephanie Batchelor. Stephanie decided she wanted a change in her life, so she enrolled at Spartanburg Community College. She is the epitome of a persevering spirit.

Stephanie is a full time patient care assistant at Spartanburg Regional Medical Center and has two children, ages 4 and 6. None of that has stopped her from taking a full course load, and she visits the TLC several times a week in spite of her many responsibilities. In her "spare time" she loves scrapbooking and painting but says her favorite hobby is her kids. They play tag and soccer, and she is teaching them how to cook.

Stephanie says, "I love the TLC; the staff is so helpful and does not get frustrated when I do not understand anything." From us we say, "Bravo, Stephanie! You are a young mom who is showing others how to press on."
