

The Learning Center's

Student of the Month

Der Cha

The Learning Center recognizes Der Cha as its April student of the month. Der Cha chose SCC because of its affordable tuition and convenient location. Her chosen degree program is nursing. In addition to her educational endeavors, she loves learning about new cultures, customs, and traditions.

She learned about TLC from faculty and has utilized the services of TLC at least three times a week. She wants other students to know that the tutors of TLC are willing to help students achieve their goals. She believes that students who are willing to do the extra work will succeed.

Congratulations to Der Cha! She is a model of hard work and dedication so that she can reach her educational goals.
